

November 2010

Hello!

On Sunday November 20th at 2PM we will leave Memorial United Methodist Church for the annual Merle State Hunger Walk. We encourage all Service Learning students to come give 2 hours of service time to making the community aware of hunger all around us. Over 140 meals are served 365 days a year thanks to people who choose to serve and support the operation.

Students will find a clean safe haven for those in need and for volunteers at the Greer Soup Kitchen. They will walk with community leaders, government officials and other supporters of the cause to let no person go hungry in Greer.

To help us, participants can get walk sponsors who donate \$2 or more in exchange for a commitment to hold off eating lunch that day until 2:30 and participating in the walk.

It is a great way to kick off the Holiday season. Donations provided during the holidays fund over 50% of our annual operating cost.

We hope you will be able to help us get the word out in November. If you need copies of the attached, let us know and we will bring some to you. Thanks!
